

The  
Bible **is** The  
Scientifically  
**Accurate!**

# Scientific Accuracy of the Bible

I would like to personally thank you for watching the Origins program. Origins was a special program, near to the heart of my late husband, Russell Bixler.

I trust that the information in this presentation will be helpful in your study of creation science. Thank you for your prayerful and financial support of Origins... you're making the television production of this program possible.

**-Norma Bixler**

# Scientific Accuracy of the Bible

- From the field of Astronomy
- From the field of Oceanography
- From the field of Physics
- From the field of Medicine
- From the field of Biology

# From the field of Astronomy

- Isaiah 40:22  
The Circle of the Earth

# From the field of Astronomy

- Isaiah 40:22 (KJV)

“It is he that sitteth upon the circle of the earth,”

# From the field of Astronomy

- Isaiah 40:22  
The Circle of the Earth
- Psalm 19:5-6  
The Orbit of the Sun

# From the field of Astronomy

- Psalm 19:4b-6 (KJV)

“In them hath he set a tabernacle for the sun,<sup>5</sup>  
Which is as a bridegroom coming out of his  
chamber, and rejoiceth as a strong man to run  
a race.<sup>6</sup> His going forth is from the end of the  
heaven, and his circuit unto the ends of it: and  
there is nothing hid from the heat thereof”

# From the field of Astronomy

- Isaiah 40:22  
The Circle of the Earth
- Psalm 19:5-6  
The Orbit of the Sun
- Job 38:19  
Light travels in a “way” or path

# From the field of Astronomy

- Job 38:19 (KJV)

“Where is the way where light dwelleth?  
and as for darkness, where is the place  
thereof,”

# From the field of Astronomy

- Job 38:24  
How light is parted

How did these ancient writers know to write about such things, when we have only just recently learned them?

# From the field of Astronomy

- Job 38:24 (KJV)

“By what way is the light parted?”

# From the field of Oceanography

- Ecclesiastes 1:7  
All rivers run to the sea.

# From the field of Oceanography

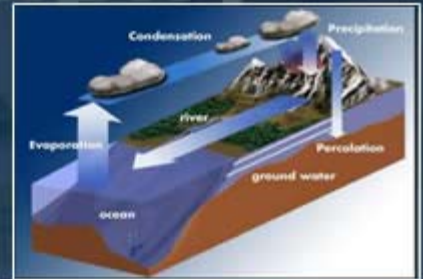

- Ecclesiastes 1:7 (KJV)

“All the rivers run into the sea; yet the sea is not full; unto the place from whence the rivers come, thither they return again.”

# From the field of Oceanography

- Ecclesiastes 1:7  
All rivers run to the sea.
- Combined with  
Ecclesiastes 11:3 &  
Amos 9:6 describes  
the water cycle.

# From the field of Oceanography

- Ecclesiastes 11:3 (KJV)

“If the clouds be full of rain, they empty themselves upon the earth...”

# From the field of Oceanography

- Amos 9:6b (KJV)

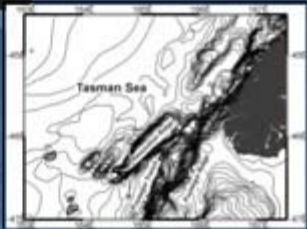

“...he that calleth for the waters of the sea, and poureth them out upon the face of the earth: The LORD is his name.”

# From the field of Oceanography

- Job 38:16  
Spring of the Sea.
- The Recesses of the Deep.

# From the field of Oceanography

- Job 38:16 (KJV)

“Hast thou entered into the springs of the sea? or hast thou walked in the search of the depth?”

# From the field of Physics

- Genesis 2:1  
The heavens and Earth were finished  
(cf. Genesis 2:2).

First Law of Thermodynamics states that matter can be neither created nor destroyed. It can only be transformed into a different type of energy. (See also Nehemiah 9:6)

# From the field of Physics

- Hebrew 1:11; Isaiah 51:6; Psalm 102:26 Indicate that the Earth, like a garment, is wearing out.

Second Law of Thermodynamics (also known as the Law of Increasing Entropy) states that as time progresses, entropy (or disorder) increases. Thus (without added energy) things will go towards a state of disorder and less complexity.

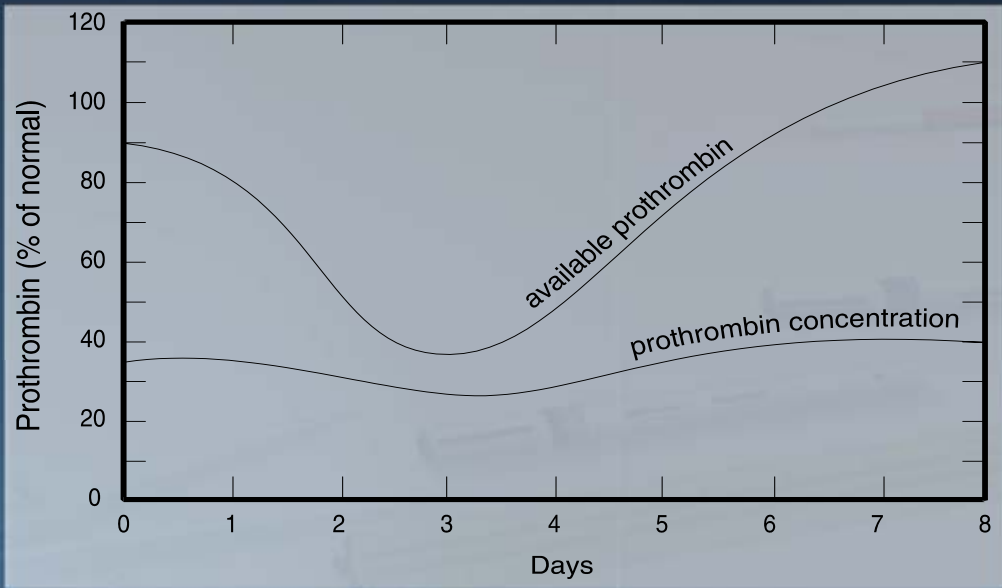

# From the field of Medicine

- Genesis 17:12  
God commanded Abraham to circumcise newborn males on the eighth day.
- Blood clotting is dependent on 3 factors:
  - Platelets
  - Prothrombin
  - Vitamin K – Which is responsible for prothrombin production

# From the field of Medicine

# From the field of Medicine

- Leviticus 17:15  
Prohibits eating meat from an animal that died “naturally.”

# From the field of Medicine

- Leviticus 17:15 (KJV)

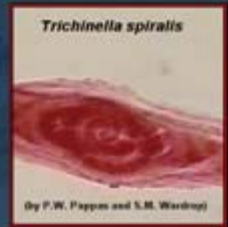

“And every soul that eateth that which died of itself, or that which was torn with beasts, whether it be one of your own country, or a stranger, he shall both wash his clothes, and bathe himself in water, and be unclean until the evening...”

# From the field of Medicine

- Leviticus 17:15  
Prohibits eating meat from an animal that died “naturally.”
- Leviticus 11:7  
Prohibited Jews from eating the meat of pigs.

# From the field of Medicine

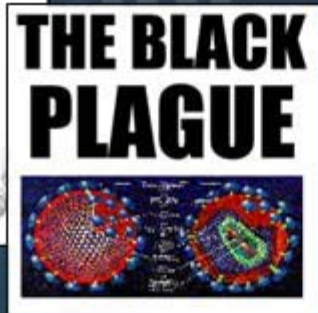

- Leviticus 11:7 (KJV)

“And the swine, though he divide the hoof, and be clovenfooted, yet he cheweth not the cud; he is unclean to you.”

# From the field of Medicine

- Deuteronomy 23:12-14  
Moses instructed the Israelites to bury their waste.

# From the field of Medicine

- Deuteronomy 23:12-13 (NKJV)

“Also you shall have a place outside the camp, where you may go out; <sup>13</sup>and you shall have an implement among your equipment, and when you sit down outside, you shall dig with it and turn and cover your refuse.”

# From the field of Biology

- Acts 17:25 - God is described as the “giver of life.” Try as we will, man has yet to create life.

- The Products of the Miller Experiment

Tar	85%
Carboxylic acids not important to life	13.0%
Glycine	1.05%
Alanine	0.85%
Glutamic acid	trace
Aspartic acid	trace
Valine	trace

# From the field of Biology

- **THE LAW OF BIOGENESIS**

Spontaneous generation (the emergence of life from nonliving matter) has never been observed. All observations have shown that life comes only from life. The theory of evolution conflicts with this scientific law when claiming that life came from nonliving matter through natural processes.

# From the field of Biology

- Genesis 1:24 (KJV)

“Then God said, ‘Let the earth bring forth the living creature according to its kind...’”

# The Bible is Scientifically Accurate

Like the blacksmith's anvil which wears out many hammers, but itself remains unaffected— the Bible continues to wear out the skeptics' innocuous charges, all the while remaining unscathed.

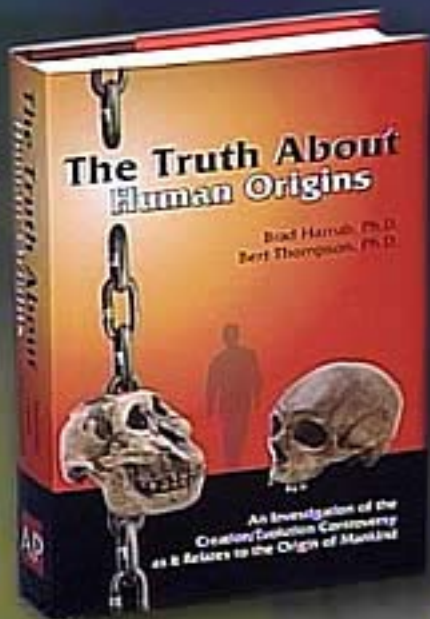

# Saturn's Rings

## *Profound Pictures!*

**When space probes revealed pictures of Saturn, scientists were amazed at the appearance of billions of particles, caught up in violent turbulence and instability in Saturn's rings.**

**For these rings to have existed for supposedly billions of years, these particles should be in extremely stable orbits.**

**If on the other hand, the rings are only several thousand years old, what we see in Saturn's rings are consistent with known physical laws.**
