RACES AND HUMAN POPULATIONS

DR. ROBERT CARTER
I would like to personally thank you for watching the Origins television program. This show was special, near to the heart of my parents, Russ and Norma Bixler.

I trust that the information in this presentation will be helpful in your study of creation science. Thank you for your prayerful and financial support of Origins… you’re making the television production of this program possible!

Also available now a legacy website dedicated to my parents at russandnormabixler.com.

“But the genes that explain the phenotypic differences between populations only represent a tiny part of our genome, confirming once again that the concept of ‘race’ from a genetic standpoint has been abolished.”

When you work the ground, it shall no longer yield to you its strength. You shall be a fugitive and a wanderer on the earth.” Cain said to the Lord, “My punishment is greater than I can bear. Behold, you have driven me today away from the ground, and from your face I shall be hidden. I shall be a fugitive and a wanderer on the earth, and whoever finds me will kill me.”

How old was Cain when he killed Abel?

by Robert Carter

"And when they were in the field, Cain rose up against his brother Abel and killed him." Gen 4:8

The story of the first murder in world history is a sad one, but it also raises many questions about the Bible. Some of these questions seem difficult to answer, but they are not at all tricky when put into the proper biblical context.

Recently, a new (to me) question came up in a discussion with a Christian writer: how old were Cain and his younger brother Seth when they each married? He insinuated they would have waited a long time to get married—time for sisters younger than Seth to be born and to grow up. From context, he thought there were no other women around at the time for them to have been marrying. After all, Seth, the

WHAT ABOUT MIXED-RACE MARRIAGES?

Hebrews were commanded not to marry outsiders, they were also commanded not to marry outside their own tribe.

• But Abraham had servants from Egypt.
• Joseph married an Egyptian.
• Moses married a Midianite.
• Rahab was a Canaanite.
• Ruth was a Moabite.
• Bathsheba’s husband was a Hittite!
Here there is not Greek and Jew, circumcised and uncircumcised, barbarian, Scythian, slave, free; but Christ is all, and in all.

At some future period, not very distant as measured by centuries, the civilized races of man will almost certainly exterminate, and replace, the savage races throughout the world...

At the same time the anthropological apes...will no doubt be exterminated. The break between man and his nearest allies will then be wider, for it will intervene between man in a more civilized state...and some ape as low as a baboon, instead of now between the Negro or Australian and the gorilla.

HOW FAR APART ARE PEOPLE TODAY?

With a 30-year generation time,
and 4,500 years since the Flood:

$$\frac{4500}{30} = 150 \text{ generations!}$$
Therefore, just as sin came into the world through one man, and death through sin, and so death spread to all men because all sinned.
